PROJECTION OF PROFILES

If you could see beyond the hands of time into the future, would you be disappointed or pleased? Would Tomorrow be the attainment of all you had hoped for, or would there be something alien to your careful plans?

We cannot predict the future, but we can be certain of one thing. Each one, in his own chosen field, will cast a shadow on the screen of life. Each one, in the pursuit of his vocation, will leave his mark on the world. We need not be apprehensive about the paths we choose, for we walk in the light of Eternal Truth, and we are enveloped by His grace.

The Most Reverend

John Francis Noll, D.D.

To his Excellency, Bishop John Francis Noll, Bishop of the Fort Wayne Diocese, we students extend our most sincere esteem and gratitude.

As the namesake of our beloved school, he has ardently directed his efforts towards nourishing and developing it, so that it now stands a proud monument to both religious and secular learning.

The Most Reverend

Leo A. Pursley

As Auxiliary Bishop of the Fort Wayne Diocese, His Excellency, Bishop Pursley, has revealed a genuine concern for this school. In 1951 he personally came to us to help establish Christ in the heart of each of us.

His unselfish interest in the students and his friendly personality have captured the admiration and love of all of us here at Noll.

God love you all.

Sincerely yours in Christ,

CLASSES

The hopeful graduates are but dimly reflected on the screen of life. As our shadows hover over the screen, our futures will slowly come into focus. Soon each of us shall stand alone. One day our chosen paths will finally converge, and again we will stand together — before God's separating hands of judgment.

MARQUETTE

BISHOP WOLL
HIGH SCHOOL

ACTIVITIES

Activities have brought into focus the brighter, livelier aspects of our personalities. Through them we have met friends and learned the value of cooperation. They have stimulated our creative interests, encouraged leadership, developed abilities, deepened religious devotion, heightened and broadened our views.

M. Overack, J. Bielefeld, D. Hebard, Mr. Ciszczo, L. Biancardi, P. Cosgrove, J. O'Drobinak, L. Heibel, L. Grodzicki, P. Plesniak, M. Mulflur. John Kralek, also a member, is not pictured.

The aim of the Student Council is to bring the faculty and student body into a closer, more cooperative relationship and to produce a friendly atmosphere throughout the school. Any problems or requests of the students concerning the school are brought to the Student Council for consideration and solution.

This year the Council sponsored the Magazine Drive and the Winter Formal.

Mr. Frank Ciszczo, faculty advisor, was influential in establishing the Student Council at Noll and has been its sponsor since its beginning four years ago.

A necessary pre-requisite for membership in Noll's Marynoll Chapter of the National Honor Society is a scholastic rating within the upper third of the class. Members are then chosen by the Faculty on the basis of Character, Leadership, and Service.

Under the sponsorship of Sister Marie Celine, the Honor Society successfully supervised Parliamentary class meetings throughout the year. Each year the Honor Society also offers a Noll scholarship to a boy and girl graduating from a Catholic grade school in Lake County.

One of its major projects is the collection of items for packing gift boxes to send to the indigent of foreign countries. Sister M. Andrew is sponsor of this club.

MISSION SOCIETY

The C.S.M.C. strives to give our students a fuller knowledge of missionary activity in other countries. The regular First Friday Mission programs have this as their main feature. The Mission Study Club, also under the direction of Sister M. Ivan, plunges more deeply into this subject. All Noll students are enrolled and contribute both spiritually and materially to the welfare of the Missions. Spiritual bouquets, weekly collections, the clothes drive, and the collection of cancelled stamps and Catholic magazines are all the work of the Mission Society.

The Journalism Club is a literary club for all students at Noll interested in writing. For its yearly project the Club has undertaken publication of the Senior Anthology. Sister M. Victorine is the able sponsor of this group.

CHEER LEADERS

In almost every venture with an unpredictable outcome there are rough spots encountered. It is at such a time that a lot of encouragement is needed and appreciated. Phyllis Gruszka, Loretta Miller, Margie Klemptner, Dianne Burgess, Louise Biancardi, and Beverly Gesmond coaxed more of that indomitable Noll spirit from the rooters in the stands.

MONOGRAM CLUB

The Monogram Club, primarily a social organization, is composed of athletes who realize the necessity of team work and sportsmanship not only on the field of play but also in the social world. Membership is limited to those proud possessors of the coveted major letter "N".

PEP CLUB

The Pep Club, with Miss Herod as its sponsor, was headed this year by Pat Medvecz as President, Joanne Portz as Vice-President, and Helen McLaughlin as Secretary-Treasurer.

All Noll's glory isn't won on the gridiron or basketball court. Win or lose, Noll fans are known to be loyal enthusiasts. We realize that good morale promises good sportsmanship, and we aim at preserving Noll's reputation of good sportsmanship. The best devotees of Warrior games are to be found in Noll's Pep Club. Formal membership in this club is usually limited to upperclassmen, but it cannot be said that sophomores and freshmen are wholly excluded. During the course of the year the name of the club was changed to the *Booster Club* and membership, formerly restricted to the fairer sex, was also extended to the male of the species. Noll's bleachers are always filled with a good representation from all classes, and that representation is known to be made up of the most avid and devoted Noll rooters.

DRAMATICS CLUB

Show business is much more than enjoyable curtain calls, as members of the Dramatics Club have well learned from Miss Salom, organizer and sponsor of the club. They learn from a to z what play production really is: hard work at rehearsals, scenery, stage crew, make-up, etc. Members of the club have gained invaluable personal experience and have also brought enjoyment to their school and community.

CAMERA CLUB

The Camera Club has contributed much to further the enjoyment of social events at Noll. Under the leadership of Mr. Savin, its members capture the thrills of the athletic contests, the operetta, the dances, and many other events. This experience will prove very useful to the Club members in the future.

MUSIC

Besides his many and time-consuming duties as teacher and Dean of Boys, Fr. Melevage is responsible for all musical programs at Bishop Noll High. Under his tutelage, the various choral groups have acquired a splendid reputation. The operettas always exceed everyone's expectations. His efforts have brought to all a greater appreciation for music and the finer arts.

JUNIOR AND SENIOR CHORAL CLUBS

The Junior and Senior Choral have contributed a major part of Bishop Noll's musical entertainment. It is they who have fostered a deep sense of musical appreciation within us. It is they who have contributed and are contributed their talents that we might be entertained by their beautiful melodies. They have undoubtedly attained well-deserved success.

THE BELLS OF CORNEVILLE

Comic Opera by Robert Planquette

The production of this light comedy operetta by the Senior Choral Club brought much enjoyment to many. The untiring efforts of Fr. Melevage and Mr. Sarvello and the wonderful cooperation of its participants made this operetta a real competitor of those of previous years. The singing was superb and the scenery was exquisite. These productions have brought a real appreciation of culture to all.

ATHLETICS

Athletics bring into focus the physical prowess of the athletes and the spirit and enthusiasm of the entire student body. They reflect in a most respected light the cooperation of all at Noll.

ATHLETICS

REV. A. J. ZIMMERMAN

As Priest-Advisor of the Athletic Department, Fr. Zimmerman is indeed a busy man and jack of all trades. Securing a season's sports schedule is a real headache for any independent school, but Father has been successful. The responsibilities of publicity manager, contract supervisor, ticket manager, and sports procurator make heavy demands of his time and energy. However, he still manages to schedule grade school tournaments and cheer for Johnny Parsons.

MR. JAMES BUCKLEY

Master mind of the baseball diamond, line coach in football, assistant coach in basketball are all roles that Coach Buckley efficiently fulfills. He is a true believer that work, work and more work is the only way to build an athlete. As long as Coach Buckley is on the field, there will be no loafing anywhere. He is the inspiration of Noll's "Never-Say-Die" spirit. Though he has always cracked the whip, his boys still admire him deeply.

MR. KARL HUFFINE

The man with all the trick plays and Fr. Zimmerman's co-worker is Mr. Huffine. Mere mention of his name immediately turns all thoughts to football, for he is the head coach of Indiana's State Champions. His cigar and beaten hat are familiar to many as he paces up and down the side lines. Coach Huffine is responsible for the brilliant fleetness of Noll's backfield. If you are fast and like football, Coach Huffine is sure to find you — that is, unless you find him first.

MR. ED HUDSON

Indiana loves its basketball, and Mr. Hudson, a native Hoosier, loves to coach the game as much as play it. Coach Hudson has one of the most dangerous jobs in Indiana — head basketball coach. Coach Hudson's Warriors have been the most talked about team in the Hammond Sectionals for the past two years. In 1951 it was Hudson's all-court press; in 1952 it was his famous stall. He has brought many thrills to Noll's loyal basketball fans and will long be remembered.

The 1951 football season was one of the highlights of our four years at Noll. Seldom does an independent team attain the height of State Champs, but Noll's muscle, brawn, and brain did it in a blaze of glory. Teams come and go, but it will take a great deal of brilliance to equal the record of these men.

The task of Football Manager is one of all work and no glory. The managers do a great deal of work behind the lines and scenes; but when the honor is distributed, they are often unrecognized. However, at Noll the work of the Managers is appreciated by one and all.

BY JACK PARRY
The old number 13 line worked against Hammond all last night as they clumsily snagged a 13-0 win over Gary. It was also the 13th straight win for Noll.

The Warriors couldn't get their offensive machinery working as they did in last week's 12 victory at the expense of Weston.

A muddy field contributed partly to the offensive drought, as the hard-charging Roosevelt took its toll, as is illustrated the 30 yards lost rushing by

the Warriors. Spectators murmured "overconfidence" for Noll as they spun their wheels against the Panthers.

NOLL showed its defensive backbone when it made 60 yards which would make it a high school

Noll Win Astounds Some

By KURT FREUDENHART

INDIANAPOLIS (UPI) — Even hear of Hammond's Bishop Noll High school.

Those warriors of Bishop Noll High school football powerhouse Saturday, after a convincing 39-10 victory over previously undefeated Crosstown rival Hammond.

The Warriors, touted as the probable club to beat for West NHCSC honors, didn't have a chance as their colorful line and explosive offense hammered out a 39-10 halftime lead before the rain came.

It was strictly a home game. Bishop Noll, a putz-eyed punter, and Bill Orlich had a field day sparking the Warriors in their third straight victory.

Top-ranking Hammond Bishop Noll Friday night rolled over Chicago DuSable, 28-0, to rack up its 10th straight win and fourth this year.

Noll sailed all the way, scoring a touchdown in each quarter. The Warriors gained 230 yards rushing and 45 yards on three completed passes.

Fullback Paul Danko scored the first touchdown on a seven yard plunge over center. The drive leading to the first marker originated at the mid-field stripe. Later in the first quarter, End Don Royal dropped Quarterback Ed Shaw of DuSable behind the goal line to score a safety.

Noll's second period touchdown was made by Little Alex Kalemba, who dashed around right end from the DuSable 15 yard line. The third touchdown was made by Dave Austgen after the Noll line had partially blocked a DuSable punt. Austgen went eight yards around end for the score.

Jack O'Drobinak scored on a three-yard plunge in the final quarter after a succession of Noll passes. About 3,000 fans watched the contest.

Some of the statistics produced by Noll resembles something of a war debt—yards gained rushing—312. This may be compared to the Calumet City school's 92 yards.

No Noll player scored more than once last night, which goes along with the statement "about the team."

Alex Kalemba scored for Noll, and Don Royal.

A highly mile in the person left halfback for Hammond to Coach Karl Huffine's Warriors high-regarded Hammond High.

Some 6,000 fans braved the showers to witness Noll's surprise which had previously blanketed Fractional.

Noll's deceptive backfield, working in almost perfect synchrony with his hard-charging line, poured through Hammond High's rigid defense forward wall to reef off long gains. In all, the Warriors gained 230 yards rushing.

But it was little Alex Kalemba who stole the show. He ran Hammond High's rigid defense forward wall to reef off long gains. In all, the Warriors gained 230 yards rushing.

The diminutive backfield still showed his prowess in the opening minutes. After Dave Austgen reeled off 54 yards on the second down after Hammond High's opening kick-off, Kalemba reeled off four yards.

Noll's second period touchdown was made by Little Alex Kalemba, who dashed around right end from the DuSable 15 yard line. The third touchdown was made by Dave Austgen after the Noll line had partially blocked a DuSable punt. Austgen went eight yards around end for the score.

Coach Karl Huffine of Bishop Noll Tuesday voted agreement with the Press honor roll of Indiana powers naming the Warriors top team in the state.

Regardless of the outcome, East Chicago Roosevelt Legion game tonight on an all-band Central-Cary Emerson test Friday night, our claim mythical championship should secure.

The affable Noll mentor, the 1951 Noll team as one of two best teams he has coached in 23 years in the profession.

Huffine compared Noll to Kalemka, Bill Orlich, Billy Tom Maloney and the Wildcat standouts as Wall's Clarence Haase, Jui Papa Hercules Seroclos.

"It's hard to make a selection of which was the team," Huffine emphasized, "do know definitely the squads were great."

HUFFINE SAID he was sure that he had a truly championship team two weeks ago when he turned almost certain defeat in a 13-0 deadlock with Evansville.

"Sure," Huffine pointed out, "the team was winning."

"But all the same it shows the boys had spirit and came back. They fought true champions they are."

Huffine credited the Warriors' success on the team rating's individual performance. But, he added, "Kalemka's performance was outstanding."

Noll Swoops UP Honors

By KIRT PRUDENTIAL INDIANAPOLIS (UP)—Hammond Noll's Warriors took control of an unprecedented "clean sweep" of this fall's football Indiana high school football honor roll.

The Warriors of Coach Karl Huffine, who topped the first "big ten" in the last week of September, still led the pack today as the eighth and final rankings went to press.

The Calumet area toughies fought unbroken in 10 games. They were held to a 13-0 deadlock.

Evansville Memorial repeated otherwise perfect.

Noll 21— Indianapolis Cathedral 0

The Warriors were impressive in their initial game. Al Kalemba scored first in the second quarter and later repeated with a 64 yard jog. From 18 yards out Gerry Florey tallied the last touchdown. Don Koleboski made the conversions good.

Noll 21— Benton Harbor 0

The second was the same as the first. However, this time the line was outstanding, topped by Tom Maloney's 45 yard touchdown. Paul Danko and Gerald Florey scored the other tallies. Once again Don Koleboski did the converting.

Noll 39— Hammond High 12

Revenge was the key word for this route, even though it was in a storm. Al Kalemba starred with three markers to his credit. Joe Mulflur accounted for two tallies, while Paul Danko topped things off with his single score. Hammond's touchdowns came on a pass and a blocked punt.

Noll 28—

Chicago Usable 0

This was a test to see how much punishment the boys could absorb rather than the amount needed to score. The Warriors had their way as far as the game went, but suffered much physical roughing. Paul Danko, Al Kalemba, Dave Austgen, and Jack O'Drobinak were credited with a touchdown apiece. Don Rovai also received credit for a safety.

Noll 52—

Terre Haute Gertsmeier 0

Here the boys had a riot intercepting passes and scoring touchdowns. Jack O'Drobinak led the way with three tallies. Second in the scoring parade was Dave Austgen with two T.D.'s. Others to score were Al Kalemba, Paul Danko, and Harry Deakin on a 40 yard pass from Bill Orlich.

Noll 33—

Tolleston 12

This was an unexpected snag in the Noll victory march. But the Warriors weathered the storm with some beautiful running. The highlight was an 80 yard touchdown made by Jack O'Drobinak. Al Kalemba scored twice, one being a 60 yard race. Two more tallies were made by Paul Danko and Gerry Florey. The opponent's scores were made by Tom Hill on an intercepted pass and by Bob Banta straight down the middle.

Noll 13— Gary Roosevelt 0

Number 13 gave the boys a slight scare, but they came through a little scratched. There were plenty of fumbles but few yards gained. Yet Joe Mulflur and Al Kalemba saved the day with a couple of touchdowns.

Noll 27— Thoraton Fractional 0

Noll kept on rolling, this time with more ease. Strong winds made it almost strictly a running game, much to our favor. John Kralek spread the glory of the line by recovering a fumble in the Fractional end zone. Jack O'Drobniak scored twice, while Al Kalemba and Joe Mulflur also tallied.

Noll 13— Evansville Memorial 13

The winning streak came to rest after 14 victories. Cold weather, strange land, and a tough team did the trick. Memorial's Don Hunt and Bill Ballard scored the first pair of touchdowns. In the final period championship form and a fighting spirit turned defeat into a tie. Dave Austgen and Al Kalembe did the scoring. Al's score followed a kick-off fumble.

Noll 41— Noblesville 0

Glory, fame, and an undefeated season came to an end with the helpless Millers being the trimming. It was a field day for the State Champions in a sea of mud and sawdust. Tom Maloney marked another one up for the brawny line by scoring on an intercepted pass after a penalty nullified a previous one. Passes from Bill Orlich to Don Ravai and Terry Sullivan accounted for two tallies. In the backfield Jack O'Drobinak took the honors with two scores, while Al Kalembe and Dave Austgen shared the remaining two.

The Noll Varsity had a winning season, although they had a mania for losing the close ones. In the Sectional Tourney Noll defeated Lowell in the opening game. In the second game Coach Eddie Hudson again proved to be a "Sectional coach" when his team stalled half of the game against Hammond Clark, only to lose when the talented Clark team went on a hot shooting spree.

THE FACULTY

The Faculty of priests, sisters, and laymen, seeks through the Torch of Knowledge to draw into focus the latent talents of the student and prepare him to reflect the image of a genuine Christian on the screen of life in time and in eternity.

REVEREND A. J. JUNK

Father Junk, our Principal, is a friend to all, always ready and willing to cooperate with the students for their best interests. With a million things to do, he still finds time to stop and chat with the students.

He has worked hard and long for the cause of Catholic high school education in our community, and it is due mainly to his tireless efforts that we are all so proud of our school.

GERTRUDE MANKOWSKI

MRS. THOMAS POUCH

Both Gertrude Mankowski and Ann Pouch have remained quietly and insignificantly in the background, but their cheerful attitude and efficient performance of duty have been appreciated by all.

Gertie is Fr. Junk's secretary and is beginning her twelfth year in this position. Ann is in charge of the book store. She graduated from Noll in 1941.

This good-natured trio spends many hours of hard work in our cafeteria preparing hot plate lunches for four hungry shifts. A mere glance at the physique of some of our cafeteria patrons shows how well Mrs. Dienes and her cohorts take care of the inner man.

MAINTENANCE

Keeping Noll well-kept is the primary job of Mr. Strickland and his assistants. A clean, well heated, well ventilated building is a necessary prerequisite for efficient study and learning. These men do a splendid job in keeping our school comfortable and in good repair, and our crowded conditions do not ease their work. To add to his woes, Mr. Strickland is constantly plagued by absent-minded students to open their lockers.

You're saying goodbye to your high school days—but you're saying hello to new, exciting days ahead. Congratulations and welcome to the future!

In this future, Inland Steel's opportunities are yours . . . opportunities open to high school grads.

If you have some mechanical training or aptitude, there are careers open in many fields: as machinists, welders, electricians, patternmakers, pipefitters, boilermakers. There are careers to follow in metallurgy and chemistry. And there are opportunities in the office and clerical fields. The job of production—making the steel needed to keep America strong—offers a challenge to alert, young men.

You can have a "get-ahead" future through Inland's training opportunities. You can get apprentice or on-the-job training to become more skilled in your trade. You also can get college training

and a college certificate through the Purdue-Inland Training Program, a program where Inland sponsors you through this course at Purdue Extension.

Inland has been in the busy Calumet Region for more than a half-century. We'll be here in the future, too, because we're a basic industry, making a product used by everyone, including the housewife opening a can of peas and the G.I. firing an artillery shell.

Inland Steel Company serves the nation—and it can serve you, too, in the exciting days ahead.

Inland Steel Company, 3210 Watling St., East Chicago, Ind.
